### Application Requirements:

1. Two samples of your artwork must be provided with this application. Please send in PDF or JPEG format.
2. Chalk and supplies will be provided, however if you are using a predominant color in your design you may want to purchase more of that color before the festival.
3. Art work must be family friendly and appropriate for public viewing. NO commercial, political or personal advertisements are permitted. Because the art created for your square represents the sponsor, it is very important that your subject matter be something that the sponsor and community will consider a positive partnership.
4. Incomplete applications WILL NOT BE ACCEPTED.
5. Applications are reviewed on a first come first served basis. Applicants will be notified regarding their acceptance on a rolling basis. Space is limited and the application process will close when there are no more spaces.
6. Children under the age of 18 may only participate as a registered street painter if they are part of a supervised school group or with a parent or adult supervisor.
7. Before you begin painting on event day, you must check in at the Artists' Tent where you will be given your assigned space and a set of pastels as well as other useful and fun items.
8. Submit your completed application and two samples of your artwork to [katharine@caillouxfoundation.org](mailto:katharine@caillouxfoundation.org).

### Automatic Acceptance Opportunity:

Artists of any age who provide a sponsor will automatically be included as a street painter and must comply with all the rules of participation. Sponsorship form and payment must be submitted in conjunction with artist's application. Larger squares cost more to sponsor. Please visit [www.kerrvillechalk.org](http://www.kerrvillechalk.org) for additional sponsorship information.

### Free Workshop Opportunity:

The Festival's featured artist Anat Ronen will teach "The Basics of Painting on the Sidewalk" for participating artists on April 23, 2015. The free orientation class, held at Kerrville's Kerr Arts & Cultural Center, will provide advice on pastel technique, time saving tips and practical information for street painters in addition to Festival guidelines.
